SOCRRA Compost Site

1741 School Road between John R and Dequindre
(School Road is located approximately ½ mile south of Avon Road)

Compost Site Office Trailer 248-651-7840

SOCRRA Mail Office 248-288-5150

April 12, 2008 – December 6, 2008

Hours:

Monday – Friday 8:00 am – 4:00 pm

Saturday 8:00 am – NOON

The SOCRRA Compost Site will accept grass and leaves only. This courtesy does not apply to multi-family property owners, commercial/industrial property owners, or private landscape companies. **No plastic bags are allowed.**

There is no charge for compost to Rochester Hills residents, in bushel basket quantities, and on a self-serve basis. If you would like a large load (in a pickup truck or trailer), the cost is \$7/cubic yard with a minimum charge of \$15.00 and SOCRRA staff will load with a front-end loader. SOCRRA almost always has material available – just ask for “Dave” if compost is not readily apparent. You may call in advance to check availability.

The City is covering the costs to be open on Saturdays.

SOCRRA has asked that complaints, concerns and/or suggestions be directed to Mike Czuprenski, Operations Director – 248-288-5150 or via email at mczuprenski@socrra.org.

2008 No Haz Collection Dates:

Saturday, September 6th

8:00 AM to 2:00 PM

Oakland Community College Highland Lakes Campus, Waterford
